On behalf of the Temecula Community Services Department we proudly present the Winter/Spring 2019 Guide to Leisure Activities. As always, our winter season of holiday events will not disappoint. There are many opportunities to celebrate the magic of the season with the enchanting lights of Old Town, Temecula on Ice, the many holiday performances scheduled at the Old Town Temecula Community Theater, and the annual New Year’s Eve Grape Drop. Be sure to bring the family and experience Temecula Chilled!

As spring blooms in Temecula, kids can take advantage of a wide array of Spring Break Enrichment Camps and class opportunities. Be sure to take the kids to visit Nicolas Road Park and see the new pirate theme play structure. Thanks to the citizens of Temecula, Measure S has funded many improvements at your local parks. Creating Community Through People, Parks & Programs
IT’S WHAT WE DO!!!
As public servants, we are all committed to providing a creative community by delivering visual and performing arts experiences, arts education opportunities, and community outreach offerings to residents and visitors alike. In my 14th year with the City of Temecula, I have the privilege of overseeing the Cultural Arts and Community Outreach Division including the Old Town Temecula Community Theater, The Merc, Temecula Valley Museum, Arts & Culture Team, Community Relations, Sponsorships, and Around & About Temecula Series that can be viewed at: TemeculaCA.gov/AroundTemecula.

As an enthusiastic advocate for cultural tourism, performing arts, and visual arts, we work daily to inspire the next generation of patrons and enrich the lives of families in our growing community. Our highly decorated programming, marketing, and facilities have earned nine California Parks & Recreation Society Awards of Excellence in Marketing and Communications and the Helen Putnam Award for Economic Development through the Arts in 2017. I am a UCLA Alumni with a Bachelor of Arts in Communications, and currently a member of the California Parks & Recreation Society; California Presenters (three years of Board service); and Western Arts Alliance.

Working in local government and building communities that are economically vibrant, healthy, safe, efficient, and creative gives us a tremendous sense of purpose and accomplishment. #TemeculaProud

When I moved across the country to Temecula with my young family 12 years ago, several things immediately struck me about our new community: the beautiful library on Pauba Road, the great parks on practically every corner, and the variety of recreation programs and events all year long. We took full advantage of all the fun Temecula had to offer, but I had no idea that I would soon have the opportunity to work for the agency responsible for these world-class amenities. I started out in contract class programming, worked a number of special events every year, then spent two years at the Old Town Temecula Community Theater before landing at City Hall to manage the Department's budget as the Senior Management Analyst. Now as a Community Services Superintendent, I spend every day learning more about the hard work (and hard-working staff!) that make Temecula such a fun and family-friendly community. My kids are older now, but I still enjoy Temecula’s many parks, events, performances, and resources. In my spare time, I knit, jog, garden, and practice yoga and jiu jitsu. I hold an MS in Environmental Science from Green Mountain College in Poultney, VT, with a concentration in Communications.

**NEW Instructor spotlight**

**Michelle Medina**

Hello my name is Michelle Medina. I have over 15 years experience working with preschool and school-aged children. I believe that teachers who love teaching are able to teach children to love learning. I enjoy having the ability to make a difference in a child’s life and enhance their desire to learn.

For the past two years I have had the pleasure of working as an assistant instructor with Jill Lodato for the City of Temecula’s Bright Start for Kids program. I am honored to now have the opportunity to teach the new Miss Michelle’s Tiny Tots program. During my spare time I enjoy spending time with my family. When I am not in the classroom you will normally find me on the fields with my family as we are very active with baseball and softball.

**INSTRUCTOR SPOTLIGHT**  
**PATTY ROBERTS**

My name is Patty Roberts and I’ve been teaching Rocket Readers since 2002. I am a credentialed teacher and I’ve mentored home schooling parents for the last 13 years at charter schools. Before my homeschool experience, I was a classroom teacher in Kindergarten and 1st grade. Throughout my teaching experiences, I have used and evaluated many different kinds of reading curriculum. I put together a program that is not only effective, but it’s fun and engaging. I absolutely love to see the expression on a child’s face when reading finally makes sense to him or her, or when a mom tells me she is amazed by her child’s improvement since attending the Rocket Readers program.

City of Temecula Youth Musical Theater Presents:

Ages: 8-17 Years

Stop the presses! Newsies is the tale of Jack Kelly, a charismatic newsboy and leader of a band of “Newsies.” When titans of publishing raise distribution prices at the newsboys’ expense, Jack rallies newsies from across New York City to strike against the unfair conditions and fight for what’s right! Based on the 1992 motion picture and inspired by a true story, Newsies features a Tony Award-winning score with classic songs such as “Carrying the Banner,” “Seize the Day,” and “Santa Fe.” Newsies is packed with non-stop thrills and a timeless message, perfect for the whole family. There are a variety of roles, large and small, to fit all ages and levels of experience. Taught by TVUSD/MVUSD drama, music and dance teachers. Program includes 16 weeks of rehearsals followed by performances in the beautiful Old Town Temecula Community Theater. Auditions will be taught at the first class and no materials or experience is necessary. Not all roles will be required to attend each rehearsal. Instructor will provide a calendar with detailed information for when each participant will need to attend. Extended rehearsals will take place the week of performances.

NOTE: Materials fee includes scripts, cast t-shirt, professional quality cast photo and most costume pieces. Some basic costume elements will need to be provided at a minimal cost to participant. Performance tickets for families and friends can be purchased at a cost of $10.

Instructor: Jennifer Stuart

YOUTH SWIM LESSONS

The City of Temecula is proud to offer an expanded swim lesson program. Please see the following information regarding placement, available lessons, swim level descriptions and registration dates.

Swim Lesson Placement

Enrolling in the appropriate level is critical for success. Every effort should be made to select the appropriate class based on age and skill level. Read the swim level descriptions carefully and if you are still unsure of which level, attend a Swim Level Assessment. If enrollment is made into a class that is not at the child’s ability, space in another class cannot be guaranteed. Please note that participants may need to take multiple sessions to successfully complete a swim lesson level.

The City of Temecula offers two dog parks for residents and their furry friends to enjoy. These parks are located at Redhawk Community Park and Margarita Community Park. Both parks have enclosed play areas for dogs to run freely, a dog water fountain and plenty of bag dispensers. To make the most of your visit, please read the rules posted at the park prior to entry.

LAKE PARKS

Temecula offers two beautiful lake park settings that have wonderful displays of nature including birds, fish and of course, the many ducks that call these lakes their home. The City recently began a campaign to enlighten the public concerning the feeding of ducks and other water fowl. Feeding ducks “people food” is detrimental to their health and leads to overpopulation, nutritional problems, and aggressive behavior. Please join us in keeping our parks and wildlife protected.

Temecula Duck Pond, 28250 Ynez Road
Located in the heart of the City and also home to the Temecula Veterans Memorial, Japanese Friendship Garden and Dutch Sister City statues from the Netherlands. Fishing is prohibited at the Temecula Duck Pond.

Harveston Lake Park, 29005 Lake House Road
A 3-acre lake offering scenic walking and biking trails, a children’s play structure, and picnic areas.

Harveston Lake Fishing is back!

After extensive improvements, Harveston Lake will be re-opening for fishing on January 1, 2019. A yearly fishing permit can be purchased online at the City’s website at TemeculaCA.gov/TCSD. For assistance call 951-694-6480.

Bike Awareness & Bikeways

In 2013, the City of Temecula was recognized by the League of American Bicyclists with a bronze level award for being a Bicycle-Friendly City. As bike riding becomes more popular and continues to grow, here are some tips on how to ride safely and share the road.

Safety Tips for Riding a Bike:
• People biking have the same rights and should follow the same rules as someone driving.
• Signal your intentions and ride with the flow of traffic.
• Always stop at traffic signals and stop signs.
• It is okay to leave the bike lane if necessary. You might encounter debris, parked cars, or other people riding bikes.
• When riding at night remember to bring your lights. Riding with lights at night is safer, making you more visible, and it is required by law.
• Try to ride predictably. Driving near someone biking can be stressful, so riding predictably helps everyone get safely to their destination.
• Remember - riding a bike is FUN!

Safety Tips for Driving a Car:
• It is perfectly legal to ride a bicycle on city streets and roads.
• When driving you must give leave at least 3 feet when passing someone on a bicycle.
• Do not park, stop, or drive in the bike lane.
• The only time you may enter a bike lane is when the line is dashed.
• (Often near intersections)
• When turning be mindful of people riding in the bike lane. You must merge into the bike lane to make a right hand turn. Do not turn from the travel lane in front of someone riding a bike.
• Remember all collisions are preventable.
• Be cautious, courteous, and patient, so we can all get safely to our destinations.

Riding a bike can be a great way for you to explore Temecula, get to know your community, and just have fun. The City of Temecula provides a variety of multi-use trails and bikeways throughout the City. For more information on bicycling in Temecula, please visit HikeBikeTemecula.org or email Senior Planner Matt Peters, at matt.peters@temeculaca.gov.

Places of Interest

Looking for some staycation activities? You can visit two other countries in your own backyard. Stop by the Temecula Duck Pond to stroll through the Japanese Friendship Garden and view the beautiful Dutch statues - gifts from our Sister City, Leidschendam-Voorburg. While you’re there be sure to visit the Veterans Memorials which is a moving tribute in honor of local veterans.

Temecula Veterans Memorials

The City of Temecula is a proud Veteran friendly community. As part of our recognition for those who have served throughout our nation’s history the Temecula Veterans Memorials include the “Letters Home” a life-sized bronze sculpture of a soldier reflecting as he writes a letter home. The beautiful setting also includes a sheltering tree that symbolizes the protection provided by those who selflessly serve our country. The wall surrounding the sculpture proudly displays actual “Letters Home” from those who have served. The newest addition is the “Fallen Heroes Memorial” which features a battlefield cross cast in bronze and a steel tower supporting a life-size bald eagle. The battlefield cross was created by the Veterans Art Project, through the California Sculpture Academy. The final element to the memorial is the “Path of Honor”, engraved pavers leading to the sculpture that were purchased to honor loved ones who have served our country. For more information, call 951-694-6480.

Japanese Friendship Garden

Upon entering the gate and strolling along the pathway to the right, one will see the beautiful Japanese Garden. This serene area of the park represents Temecula’s long-standing friendship with our Sister City - Daisen, Japan. In 2004, a small area of the park, which incorporates traditional elements of a Japanese garden, was dedicated in honor of the 10th anniversary of our Sister Cities relationship. Recently, to celebrate the 20th anniversary of our friendship with Daisen, the City added some new features to the garden, including a Torii gate, garden fox statues, traditional Japanese lanterns, a Japanese-style footbridge, and beautiful cherry trees that blossom in the spring.

“Singing in the Rain” & Dutch Tulips

A familiar sight at the Pond is the “Singing in the Rain” statue that was a gift from our Sister City - Leidschendam-Voorburg, Netherlands, following the attacks of September 11, 2001. As a symbol of peace and unity between our two cities, the “mother and child on a bicycle” statue was created by Voorburg resident and artist Franz Kokshoorn and presented to the City of Temecula in 2002. Eleven years later, in 2013, another Dutch artist, Jeroen Stok, fashioned the two large stainless steel tulips you see flanking the bicycle statue. With the addition of these monuments of peace, your time at the Duck Pond reveals a tribute to our friends across the globe.

Responsible Compassion

The City of Temecula understands the concerns and frustrations of its residents surrounding the community impacts of homelessness. Public Safety is the City’s top priority, as evidenced by the immediate commitment of Measure S funding to include the addition of two sworn officers assigned to the Homeless Outreach Team (HOT). The City also employs a full-time Homeless Outreach Liaison who can be reached by email at: HomelessOutreach@TemeculaCA.gov

The City’s efforts include:

• Partnering with law enforcement, neighboring municipalities, faith-based organizations, and select non-profits to create a cohesive network of resources, proactive outreach, and community education initiatives

• Supporting the Problem Oriented Policing (POP) model with a dedicated multi-agency Homelessness Outreach Team (HOT) which works on an individual basis to prevent and respond to illegal activity

• Working to educate the community about avenues for helping homeless individuals without unintentionally reinforcing problem behaviors

• Participating in annual surveys to support a data-driven approach to policies and initiatives, as well as to gain insight into regional socio-economic factors, which influence rates of homelessness in our community

• Sharing best practices with other regional agencies to improve local efforts and create a consistent climate of responsible compassion throughout the region

• Utilizing City Park Rangers, other staff, and the Community Action Patrol to act as “eyes and ears” supporting the Temecula Police Department in its efforts to deter unlawful behavior and respond quickly to citizen concerns

• Leveraging social media to communicate directly with concerns as well as coordinate efforts

• Utilizing the City Mobile App for reporting

• Development of Responsible Compassion Website to be a regional avenue for shared information

• Outreach Events that align resources including Faith-Based Forums and maintaining local resource guide available on ResponsibleCompassion.com

The 2018 County-wide Point in Time Homeless Survey reflected a significant decrease in the number of individuals experiencing homelessness in the City, from 85 unsheltered individuals in 2017 to 70 in 2018.

Q: What should I do if panhandlers approach me?
A: If you feel threatened, call 911. The City encourages residents to respond to panhandlers with a respectful but firm “No.” All of our partner organizations, as well as law enforcement concur that giving money to panhandlers does more harm than good, and may encourage panhandling and support illegal activity including drug use. Responsible options for generosity include volunteering with or donating to any of the local organizations that work to solve homelessness in our community.

Q: When can I call the police?
A: You should always call 911 if you need emergency assistance from police or fire, if there is a medical emergency, or an immediate threat to public safety. For non-emergency calls, please call 951-696-4357 (951-696-HELP). The Temecula Police Department also will take action for violations of the Aggressive Solicitation Ordinance, theft of recyclables, possession of a shopping cart, public consumption of alcohol, illegal camping, loitering, trespassing, urinating in public, or other disruptive behavior.

Temecula has a proud tradition of high-quality services and well-managed finances. Temecula Citizens made it clear by their vote to pass Measure S that maintaining low crime rates and safe neighborhoods are top priorities. In addition to public safety, Measure S funds will be used to keep our roads, parks and infrastructure in good condition, and provide vital services and programs that make Temecula the desirable place it is to live, work and do business.

INCREASING PUBLIC SAFETY

11 New Full-Time Sworn Police Officers Hired in the City of Temecula

Hiring of Law Enforcement Officers
As soon as the Measure was passed in April 2017, the City of Temecula increased the number of full-time sworn police officers safeguarding residential and commercial neighborhoods throughout the City by a total of 11 positions, including 10 funded as a direct result of Measure S. The 11th police officer was dedicated to the southern portion of Temecula and funded by Pechanga pursuant to an Intergovernmental Agreement due to the expansion of the Pechenga Resort and Casino.

Roripaugh Ranch Fire Station No. 95
The City opened the new Roripaugh Ranch Fire Station No. 95 which also included eight new fire fighter personnel.

ENHANCING CITY PARKS

Upgrades to City Parks & Playgrounds Utilizing Measure S Funds

Together with other sources, the City plans to renovate many existing parks to ensure that they inspire creative outdoor play for all ages and abilities while meeting current safety standards. Below are some of the completed and upcoming projects.

Sunset Park
“Music at Sunset” is the theme at this park which showcases the “Rhapsody” line of new outdoor musical instruments.

Patricia H. Birdsall Sports Park
New synthetic turf was installed at all four soccer fields. This was a 1.7 million dollar project.

Nicolas Road Park
Renovation included a towering pirate ship play structure, an octopus climber and a brand new “Accelerator” swing for maximum pirate fun.

Butterfield Stage Park
Improvements includ new play equipment with a nature-inspired “Tree House Hideaway” theme.

Vail Ranch Park
Residents can take a trip back to the Old West with its nostalgic western theme. Improvements include a state-of-the-art play structure and a 103 foot-long Gravity Rail zip track.

Veterans Park
In honor of our troops, improvements include a Fighter jet themed play structure and lots of opportunities for outdoor exercise with new fitness stations located along the parks 600-yard path.

Ronald Reagan Sports Park
Upgrades will include a full renovation and expansion of the restroom and snack bar facilities. Approximately $400K is programmed for site improvements at the Community Recreation Center pool area including replacement of pool decking, pool re-plaster, and installation of an enhanced lighting system with energy efficient LED fixtures. In addition, the City is planning the design for a “pump track” to complement the existing skate park.
