I can say with absolute confidence and certainty, that Temecula is a special community. I have known this personally, since a young age. As someone who has lived here since age 2, I have grown to love and appreciate Temecula for all that it is and it has to offer. While earning my Bachelor of Arts degree in Psychology at California Baptist University, I began my career with the City of Temecula seasonally as a Summer Day Camp Counselor. After graduating from college, I earned a promotion to Senior Recreation Leader at the Temecula Skate Park and began working toward my Masters of Science in Counseling Psychology. Upon finishing my master’s program, I was at a crossroads: pursue a career in counseling, or continue working in recreation. At that point, I made the decision to continue in recreation, and it was the right decision! I haven’t left recreation since, and have worn many different hats related to recreation. Currently I help oversee operations at the Community Recreation Center (CRC), Temecula Skate Park, the CRC Summer Day Camp program, as well as special projects on safety and emergency preparedness at several City facilities. At the end of each day, I take a minute to reflect on what a privilege it is to live, work, and play in such a wonderful city.

As a City of Temecula employee for over 12 years, I have had the great pleasure of working exclusively at the Old Town Temecula Community Theater and The Merc. I am proud to be a part of a City that brings arts and culture, in its many forms, to our City’s residents and visitors. From someone who appreciates and participates in the arts in addition to furthering my music education, I can say that it is very rewarding to put forth as many productions as we do on Temecula’s Stage for our patrons to enjoy. I am directly involved with over 200 shows we crew every year. From rock, jazz, classical, musical theater, dance, and more we continue to provide citizens of all ages with quality entertainment. Having lived in this area my whole life, I can say that it is an honor to work for the City of Temecula where I grew up and experienced many art forms for the first time. Many of these experiences have even taken place in Temecula’s Theater where I work and love. I started as a Theater Technician and have worked my way from the introductory position to Lead Technical Assistant, lighting, and sound designer for City productions, local producers, and Resident Companies. I encourage everyone to continue to support the arts in all forms and I invite you to come check out a show at the Old Town Temecula Community Theater!

Summer/Fall 2019
Pennypickle's Workshop is the home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface is occupied by pulleys, gears, cables, blueprints, and stuff. There are secret passageways and puzzles, machines and gizmos. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise...there are WAY too many exciting happenings to list here!). Be sure to call the Professor’s hotline at 951-308-6376, or check his website at pennypickles.org for detailed information or to purchase advance tickets. Children must be accompanied by an adult 18 or older.

Pennypickle’s 15th Anniversary

June 25, 2019 is the 15th Anniversary of Pennypickle’s Workshop and we are celebrating big time! Join us between the week of June 22-June 30 for the PROFESSOR’S AMAZING SCIENCE CARNIVAL, where you can have a blast playing with science indoors AND outdoors.

We'll have tons of hands-on play, experiments, demos, and surprises, so you won't want to miss it. Please note that our admission price during these 9 days of fun will be $10/person per session ($5/person if you are a member), and you will be able to enjoy the Science Carnival in the Workshop AND in our outdoor discovery area. Just between us, the Professor and Beaker have been making some changes around the Workshop, and you will be the first to discover some VERY interesting additions...

As part of the anniversary festivities, look for WACKY SCIENCE FOR TEENS on Friday, June 28 from 5:30-7pm and WACKY SCIENCE FOR GROWN-UPS on Friday, June 28 from 7:30-9pm. Let us entertain you (and a date???) with hands-on experiments, playful challenges and discoveries, and lots of fun in an amazing atmosphere! One portion of Pennypickle’s Peculiar Potion is included (and you get to take the awesome glass home!). WACKY SCIENCE FOR TEENS is for ages 14-17. WACKY SCIENCE FOR GROWN-UPS is for ages 18 and up. (No children allowed for these two special events). Admission is $25/person at the door, or $20/person if you pre-register by June 14. Call 951-308-6376 for more information and to register.

Pennypickle’s 15th Anniversary Science Carnival and events are fundraisers for the Workshop and we hope to have your overwhelming support so we can surprise you with even MORE wonderful ways to discover science through play.

Did you know that in 2013 the City of Temecula was recognized by the League of American Bicyclists with a bronze level award for being a Bicycle-Friendly City? The City of Temecula has over 97 miles of bike lanes and close to 22 miles of multi-use trails located throughout the City. For an interactive map of trails and bikeways in Temecula, please visit HikeBikeTemecula.org.

**Bike Awareness**

Riding a bike can be a great way for you to explore Temecula, get to know your community, and just have fun. As bike riding becomes more popular here are some tips on how to safely share the road.

**Safety Tips for Riding a Bike:**
- People biking have the same rights and should follow the same rules as someone driving.
- Signal your intentions and ride with the flow of traffic.
- Always stop at traffic signals and stop signs.
- It is okay to leave the bike lane if necessary. You might encounter debris, parked cars, or other people riding bikes.
- When riding at night remember to bring your lights. Riding with lights at night is safer, makes you more visible, and it is required by law.
- Try to ride predictably. Driving near someone biking can be stressful, so riding predictably helps everyone get safely to their destination.
- Remember - riding a bike is FUN!

**Safety Tips for Driving a Car:**
- It is perfectly legal to ride a bicycle on City streets and roads.
- When driving you must leave at least 3 feet when passing someone on a bicycle.
- Do not park, stop, or drive in the bike lane.
- The only time you may enter a bike lane is when the line is dashed (often near intersections).
- When turning be mindful of people riding in the bike lane. You must merge into the bike lane to make a right hand turn. Do not turn from the travel lane in front of someone riding a bike.
- Remember all collisions are preventable.
- Be cautious, courteous, and patient, so we can all get safely to our destinations.

**PLACES OF INTEREST**

Looking for some staycation activities? You can visit two other countries in your own backyard. Stop by the Temecula Duck Pond to stroll through the Japanese Friendship Garden and view the beautiful Dutch statues gifts from our Sister City, Leidschendam-Voorburg. While you’re there be sure to visit the Veterans Memorials which are a moving tribute in honor of local veterans.

**Temecula Veterans Memorials**

The City of Temecula is proud to be a Veteran friendly community. As part of our recognition for those who have served throughout our nation’s history, the “Letters Home” memorial depicts a life-sized bronze sculpture of a soldier reflecting as he writes a letter home. This beautiful setting also includes a sheltering tree that symbolizes the protection provided by those who selflessly serve our country. The wall surrounding the sculpture proudly displays actual “Letters Home” from those who have served. The newest addition to our Veterans Memorials is the “Fallen Heroes Memorial,” which features a battlefield cross cast in bronze and a steel tower supporting a life-size bald eagle. The battlefield cross was created by the Veterans Art Project through the California Sculpture Academy. The final element to the memorial is the “Path of Honor,” engraved pavers leading to the sculpture that were purchased to honor loved ones who have served our country. For more information, call 951-694-6480.

**Japanese Friendship Garden**

Upon entering the gate and strolling along the pathway to the right, one will see the beautiful Japanese Garden. This serene area of the park represents Temecula’s long-standing friendship with our Sister City of Daisen, Japan. In 2004, this area of the park, which incorporates traditional elements of a Japanese garden, was dedicated in honor of the 10th anniversary of our Sister Cities relationship. Recently, to celebrate the 20th anniversary of our friendship with Daisen, the City added some new features to the garden, including a Torii gate, garden fox statues, traditional Japanese lanterns, a Japanese-style footbridge, and beautiful cherry trees that blossom in the spring.

**“Singing in the Rain” & Dutch Tulips**

A familiar sight at the Pond is the “Singing in the Rain” statue that was a gift from our Sister City of Leidschendam-Voorburg, Netherlands, following the attacks of September 11, 2001. As a symbol of peace and unity between our two cities, the “mother and child on a bicycle” statue was created by Voorburg artist Franz Kokshoorn and presented to the City of Temecula in 2002. Eleven years later, in 2013, another Dutch artist, Jeroen Stok, fashioned the two large stainless steel tulips you see flanking the bicycle statue. With the addition of these monuments of peace, your time at the Duck Pond reveals a tribute to our friends across the globe.

"It's What We Do!"

The City of Temecula understands the concerns and frustrations of its residents surrounding the community impacts of homelessness. Public Safety is the City’s top priority, as evidenced by the continued commitment to assist those experiencing homelessness. A full-time outreach administrator and four dedicated officers work diligently to responsibly address this complex social issue. For more information email: HomelessOutreach@TemeculaCA.gov

The City’s comprehensive approach to the issue of homelessness, Responsible Compassion, goes to the heart of this very complicated issue. To alleviate the impacts of homelessness, the City needs residents to be both compassionate and responsible. That means directing generosity toward organizations effectively helping individuals experiencing homelessness. Well-intended actions such as giving to panhandlers may end up enabling larger problems like substance abuse or exploitative relationships.

Q: What should I do if panhandlers approach me?
A: Your first concern is for your safety. If you feel threatened, call 911. The City encourages residents to respond to panhandlers with a respectful but firm “No.” All of our partner organizations, as well as law enforcement concur that giving money to panhandlers does more harm than good, and may encourage panhandling and support illegal activity including drug use. Responsible options for generosity include volunteering with or donating to any of the local organizations which work to solve homelessness in our community or as referenced below.

Q: When can I call the police?
A: You should always call 911 if you need emergency assistance from police or fire, if there is a medical emergency, or an immediate threat to public safety. For non-emergency calls, please call 951-696-4357 (951-696-HELP). The Temecula Police Department also will take action for violations of the Aggressive Solicitation Ordinance, theft of recyclables, possession of a shopping cart, public consumption of alcohol, illegal camping, loitering, trespassing, urinating in public, or other disruptive behavior.

Celebrate National Park & Recreation Month by participating in the City of Temecula’s Instagram photo contest. In the month of July, we want to see photos of you, your friends, and family enjoying activities at our beautiful parks and facilities. By entering the Instagram photo contest, your picture may be featured in the next Activity Guide and you could win a City swag bag! For program rules and more details visit TemeculaCA.gov/TCSD. Be sure to tag @TemeculaParksAndRec and use the following hashtags or your photo won’t be entered in the contest!
