

This training is hosted by:  
The City of Temecula  
Temecula Citizen Corps  
CAL FIRE  
Riverside County Fire Department  
Emergency Management Department

### **This is NOT the Teen CERT class**

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference. Through training, citizens can manage utilities and put out small fires; treat the three killers by opening airways, controlling bleeding, and treating for shock; provide basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.

CERT training is a commitment of 22 hours of training. There is a \$25 fee for the cost of services provided during the training. Only those who successfully complete the practical exercise with hands-on instruction in fire suppression, search and rescue, cribbing and medical will receive a certificate of completion and a CERT backpack with emergency supplies and equipment. For more information please contact Captain Matt Hayes at [matthew.hayes@fire.ca.gov](mailto:matthew.hayes@fire.ca.gov)
