

## Baby Sign Language Resources

Did you know that infants can communicate with sign language before they learn to speak? Many parents are discovering how helpful sign language can be in communicating with their babies and young children. Check out the resources available at your library.

## WEBSITES

[www.babysignlanguage.com](http://www.babysignlanguage.com)  
Includes top ten starter signs, free printable flashcards and a baby sign language chart.

[www.babystrology.com](http://www.babystrology.com)  
Use the free Baby Sign Racer game to test your sign language skills.

[www.signingsavvy.com](http://www.signingsavvy.com)  
View sign language signs with this free online dictionary.

[www.signingtimekids.org](http://www.signingtimekids.org)  
Includes games, printables, songs and tools for parents.

The Temecula Public Library offers Baby Sign Storytime twice weekly. It is designed to encourage communication between parents and their babies under age 2 and to begin to lay a foundation for early literacy. Storytime will help connect you and your baby to the world and to develop your child's interest in books.
