MISSION

The Temecula HELP Center ensures that the most at-risk and underserved populations within the City of Temecula are connected to resources and services that improve the safety, health, quality of life, and increase the likelihood of success for those in need and their entire family.

NEED HELP?

Refer to this guide for information and resources if you or your family are currently homeless or in danger of becoming homeless.

CASE MANAGEMENT

SWAG

All individuals contacted will be assessed and provided intensive case management services to exit life on the streets, which includes but are not limited to: obtaining admittance and transportation to emergency shelter options, alcohol and drug treatment, linkage to mental and physical health providers, appropriate housing solutions, etc.
