

Social Work Action Group's (SWAG) mission is to advocate, educate and inspire marginalized individuals and families in the Inland Empire to achieve sustainable independence through community support.

SWAG provides street level homeless outreach throughout the City of Temecula and surrounding region. They are experts in their field and utilize evidence-based best practices to connect individuals in need to the resources necessary for their stabilization, to secure shelter, and to obtain treatment.

TheSwag.Org

hello@TheSwag.Org

The Temecula Resource Center ensures that the most at-risk and underserved populations within the City of Temecula are connected to resources and services that improve the safety, health, and quality of life, and increase the likelihood of success for those in need and their entire family.

Case management, outreach and in-reach events, limited financial assistance, life skills classes, computer access, and hygiene supplies are all offered through the Temecula Resource Center.
