

Winchester Rd – Nicolas Rd Intersection

CONSTRUCTION FACT SHEET

Location

Intersection of Winchester Rd and Nicolas Road

Project Details

Intersection Expansion

Both Winchester and Nicolas Roads will be widened to provide additional lanes at the intersection. Sidewalks, medians, striping, and traffic signals will be relocated, modified, and/or reconstructed resulting in:

Winchester SB (coming from French Valley):

2-LHT | 4-Thru | 1-RHT Lanes

Winchester NB (going to French Valley):

2-LHT | 4-Thru | 2-RHT Lanes

Nicolas EB (coming from Chaparral HS):

1-LHT | 1-Thru | 1 RHT Lanes

Nicolas WB (going towards Chaparral HS):

3-LHT | 1-Thru | 1 RHT Lanes

Project Duration

MAY 2019 – MAR 2020

Construction Cost \$2.1M

Funded by Sommers Bend
(formerly Roripaugh Ranch)

Project Lead: Dept. of Public Works (951) 240-4200

Contractor:

Hazard Construction Co.
