To Whom It May Concern:

The City of Temecula, with the collaborative efforts of the Temecula Community Services Department, Human Services Division, is proud to announce the **2019 Health & Community Resource Fair**. This event is scheduled to take place on Saturday, September 28, 2019 from 9:00am – 12:00pm. The goal of this free event is to create a positive impact on the health and wellness of adults and children within the City of Temecula and surrounding areas.

The objectives of the fair:

- To increase health awareness and disease prevention by providing health screenings, educational information, and related activities.

- To provide information and resources for families with special needs children in the area of special education, healthcare, and recreation.

- To promote emergency preparedness and safety awareness.

It is our hope that you will consider becoming a sponsor of the **2019 Temecula Health & Community Resource Fair** *(see attached Sponsor Form)*. As an event sponsor, you can be a part of a high-profile community event, achieve mass public appeal and participation, get media exposure, make a positive impact on the community, and educate the public. Only through the generous support from local businesses such as yours can events like this take place.

During the week of June 10th, you will receive the official Invitation and Vendor Application in your e-mail inbox (this is only the sponsorship application). Since we expect an overwhelming response to the Fair, all submitted applications are subject to approval. Sponsorship applications are due no later than June 28th.

If you have any questions, please contact 951-694-6464.

We look forward to hearing from you!

Sincerely,

Yvette Martinez
